Atheism, in general, the critique and denial of metaphysical beliefs in God or spiritual beings. As such, it is usually distinguished from theism, which affirms the reality of the divine and often seeks to demonstrate its existence. Atheism is also distinguished from agnosticism, which leaves open the question whether there is a god or not, professing to find the questions unanswered or unanswerable.

So here is a list of five pretty good reasons why you should be an atheist. Now I know I am not going to convince everyone with this list because god-belief has been indoctrinated into our society for a long time and most people have been raised to believe in some deity or another since before they could walk.

### **5 Pretty Good Reasons to Be an Atheist | HuffPost**

1 The share of Americans who identify as atheists has increased modestly but significantly in the past decade. Pew Research Center telephone surveys conducted in 2018 and 2019 show that 4% of American adults say they are atheists when asked about their religious identity, up from 2% in 2009. An additional 5% of Americans call themselves agnostics, up from 3% a decade ago.

### **10 facts about atheists | Pew Research Center**

Older dictionaries define atheism as "a belief that there is no God.". Clearly, theistic influence taints these definitions. The fact that dictionaries define Atheism as "there is no God" betrays the (mono)theistic influence. Without the (mono)theistic influence, the definition would at least read "there are no gods.".

### **What is Atheism? | American Atheists**

An atheist does need to be godless, though godlessness isn't quite the same as atheism. Not everyone recognizes that there are significant differences among atheists, not just in questions about religion and theism but also in political philosophies and all major political issues.

### **Review of Atheism: What Everyone Needs to Know**

Many religious theists try to argue atheists into believing in a god through the fear of what will happen after death, either going to hell or just ceasing to exist. This arguably reveals something very important about the believers themselves: they, too, must fear death as the cessation of existence and believe not because there are any good reasons to think there is an afterlife, but rather out of wishful thinking.

### **7 Reasons People Believe in God - Learn Religions**

Cecil replies: Dear Barbara: When a witness refuses to swear to God, the court accepts an "affirmation" instead. In a jury trial, the smart lawyer will arrange for this ahead of time in the judge's chambers, so the witness won't look unduly obstreperous or morally deficient in open court.

### **How do courts swear in atheists? - The Straight Dope**

What Everyone Needs To Know® The first fully comprehensive treatment of the atheism issue, considering the topic historically, philosophically, theologically, sociologically and psychologically. ### **Atheism - Hardcover - Michael Ruse - Oxford University Press**

Averaging across the two measures of atheism, the entire world population would cross the atheist threshold by about 2038 (average of 2035 for disbelief and 2041 for religiosity). Although 2038 may seem improbably fast, this requires only a shift of approximately 1 percent per year whether in religiosity or belief in God.

### **Atheism to Defeat Religion By 2038 | HuffPost**

Many people are atheists because they think there is no evidence for God's existence - or at least no reliable evidence. They argue that a person should only believe in things for which they have...
