AP Chemistry Powerpoints. In keeping with the new framework for AP Chemistry beginning in 2013 - 2014, I am indicating here if the topic to which a Powerpoint relates has been dropped from the curriculum. It will be identified as excluded (Excluded) to indicate that the College Board has specifically excluded it. I will leave the Powerpoints here, however, in case some of you find them useful.

chemistry. His experiments, in which he carefully weighed the reactants and products of various reactions, suggested that mass is neither created nor destroyed. Lavoisier's verification of this law of conservation of mass was the basis for the developments in chemistry in the nineteenth century. Mass is neither created nor destroyed in a chemi-
