Christian Theology Books - Goodreads

"Millard Erickson's Christian Theology is irenic in tone while incisive in critique, readable in format while substantial in content, and always faithful to Scripture and to the service of God's church. The third edition will guide another generation through the ever-changing context in which theology must be done."

Theology - Christian audiobooks. Try us free.

The headings are mine; the indented text is from the book. 1. True religion is not based on external authority. The idea of liberal theology is nearly three centuries old. In essence, it is the idea that Christian theology can be genuinely Christian without being based upon external authority.

Seven Characteristics of Liberal Theology

In this book, Tim Keller uses literature, philosophy, real-life conversations and reasoning, and even pop culture to explain how faith in a Christian God is a soundly rational belief, held by thoughtful people of intellectual integrity with a deep compassion for those who truly want to know the truth. less See more recommendations for this book...
