Broomwade air compressors became Holman, and then Compar, and now they are a brand of the Gardner Denver corporation. Here's a look at a more modern Broomwade reciprocating compressor (that's what they specialize in) but given that they have been manufacturing them for more than 100 years, and their size varies up to monstrous in cylinder ...

### **Broomwade Air Compressors**

CompAir offers a range of high efficiency heatless and heat regenerative compressed air dryers for the removal of water vapour from a compressed air supply. Adsorption compressed air dryers remove moisture by passing air over a regenerative desiccant material, which attracts and retains the water vapour molecules.

the selected lubricants comply with all relevant safety regulations, especially with regard to the risk of explosion or fire and the possibility of decomposition or the generation of hazardous gases.

### **Compair cyclon-3 air compressor user manual-parts supplier**

The brand Compair is global, and has been in the compressed air, ancillary equipment for compressed air systems, and other industries - with a broad range of products - for 200 years. In 2008 Compair itself was assimilated. They are now part of the Gardner-Denver group, making more difficult to parse an already complex web of product information and support.
