Worksheets - Lesson Worksheets

Indirect questions (sometimes called embedded questions) are useful things to know. We often use them when we're talking to strangers and we want to be polite. But they can be tricky because of the word order. In this video you'll learn how direct and indirect questions operate differently and find out

Questions / wh- clauses - Perfect English Grammar

An embedded question is a type of question which is included within another question or sentence. It is different from other types of questions, as there must not be any auxiliary verb between the question word and the subject. And if the embedded question is not part of another question then there's

Where To Download

no need to use a question mark at the end of that sentence.

Embedded Questions: Definition & Examples | Learn English

The first word of an embedded question is capitalized only when the question is long or has internal punctuation. A short informal embedded question begins with a

Where To Download

lowercase letter. The question should not be in quotation marks because it is not a piece of dialogue. The question should end with a question mark because it is a direct question.

Definition and Examples of Embedded Questions

compare to: 3. Where is the library?. The first two examples contain
