ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.

I have 160k followers and get about 5-10 people a day asking if I can advertise for them. I accept none of them, but assuming I were to charge about \$30 per person thats anywhere from \$150-300/day. How ever, keep in mind that advertisements of lower quality can be more damaging in the long run to your account.

How much money does a 10 to 20k followers Instagram ...

In our first two weeks on Instagram, we went from zero followers to more than 10,000 by following a set of rules that we crafted. Then, with some experimentation and elbow grease, we went from 10,000 followers to amassing more than 2.5 million real Instagram followers—setting us up as one of the top accounts in our niche.
