Gods and Goddesses of Death and the Underworld

Deities associated with death take many different forms, depending on the specific culture and religion being referenced. Psychopomps, deities of the underworld, and resurrection deities are commonly called death deities in religious texts. The term colloquially refers to deities that either collect or rule over the dead, rather than those deities who determine the time of death.

The death of God didn't strike Nietzsche as an entirely good thing. Without a God, the basic belief system of Western Europe was in jeopardy.

"God Is Dead": What Nietzsche Really Meant - Big Think

The Hebrew word for "shadow of death" is *sal-ma-wet*, which means "darkness" or "dark shadows." It contains the same root as the Hebrew word for "death" (*ma-wet*), so it is easy to see why some Bible translators include the mention of death in Psalm 23:4. In addition, the concept of darkness fits much better in the context of ...
