NGOs in Africa. NGOs working in Africa are presented with rare challenges not seen in other parts of the world: Lawlessness, widespread famine and disease, military coups where the safety of civilians is not even an afterthought, a lack of fresh water – the list is almost endless. Even though international supporters provide upwards of \$50 billion each year, evidence exists that African poor continue to get poorer.

The role of NGOs in Africa: are they a force for good?

The closing years of apartheid in South Africa were illustrative of the choice that NGOs face today: either they supported the emerging popular movements (in South Africa and internationally) that supported the overthrow of a brutal system of exploitation, or they stayed silent and continued their philanthropic work, and became thereby complicit in the crimes of the system of apartheid.

NGOS IN AFRICA: A TAINTED HISTORY

Save the Children South Africa: Among the NGOs in South Africa that focus on helping children, Save the Children believes that all children deserve a future and a voice. Operating from South Africa and other countries around the world, the organization works to give children the opportunity to learn and thrive in the safest environment possible. Through its various programs, Save the Children has lived up to its name and produced long-lasting results for millions of at-risk children worldwide.
