Test Bank for Organic Chemistry 8th Edition by Wade ...

There are no chapters you need to do before class 11 organic chemistry as OC of class 11 is basic for 12th. You just had to know a bit of mole concept only. If you want basic knowledge than I will recommend you to read carbon and it's compounds (class 10) from a good book such as S Chand.

What are the chapters in organic chemistry class 11? - Quora

My Organic Chemistry classes this year, however, used Organic Chemistry by Wade (8th edition). Compared to the other book, Wade's book is a much easier read. The chapters range from 30 - 60 pages each, and take a while to read, but they are much easier to understand compared to the other book.
