When the insurer attempts to subrogate such property losses, there is a big disconnect between the damages recoverable by the insured in a first-party claim and the damages the insurer can recover when it subrogates the claim against the third-party tortfeasor responsible for causing the loss.

### Subrogating Damage to Property ... - Subrogation Law Firm

How Subrogation Works. Subrogation is generally the last part of the insurance claims process. In most cases, the insured person hears little about it. It's something that happens between insurance companies. If an insurance company does decide to pursue subrogation, however, the law requires that they inform you that they are doing it. This is important to you, the customer and injured party, for two main reasons:
