The website gives you access to over 1 million free e-Books and the ability to search using subject, title and author.

The Bleeding The Dramatic True

This book tells the true story of the first murder ever to be solved using DNA, with the odd twist and turn along the way. The scientist that discovered how to extract a DNA profile is British, and the crimes are committed in traditional English villages, but this book is written by acclaimed American writer Joseph Wambaugh - and it's none the worse for that.

Fifteen-year-old Lynda Mann's savagely raped and strangled body is found along a shady footpath near the English village of Narborough. Though a massive 150-man dragnet is launched, the case remains unsolved. Three years later the killer strikes again, raping and strangling teenager Dawn Ashforth only a stone's throw from where Lynda was so brutally murdered.

The Bleeding: The Dramatic True Story of the First Murder ...

Three years later the killer strikes again, raping and strangling teenager Dawn Ashforth only a stone's throw from where Lynda was so brutally murdered. But it will take four years, a scientific breakthrough, the largest manhunt in British crime annals, and the bleeding of more than four thousand men before the real killer is found. Fifteen-year-old Lynda Mann's savagely raped and strangled body is found along a shady footpath near the English village of Narborough.

The Bleeding - time.simplify.com.my

One of Wambaugh's true crime books, although his non-fiction is as easy to read as his fiction. This one has some characters that are almost worthy of being included among Wambaugh's fictional roster. The book briefly traces the development of DNA, and covers the first use of DNA to conclusively solve a case.

I Read a Lot of Books » The Bleeding: The Dramatic True ...

Interesting true-crime story about an early use of genetic testing to find a killer. The title promises that the case was solved by DNA testing but that isn't quite true. The testing does provide the ultimate proof, however. A fifteen-year-old is raped and strangled in 1983, in a small village in England.
