### War Dog The No Mans

Having first joined the French Air force, he crashed landed in the no mans land that existed in the "Phoney war" before Hitler's men stormed over into France. Whilst seeking refuge for him and his injured pilot he came across a small weak German Shepherd Puppy in a deserted Farm house, he put it inside his flying jacket and the rest, as they say is history.

### War Dog: The no-man's-land puppy who took to the skies ...

Based on the true story of WWII Czech airman Sergeant Robert Bozdech, Damien Lewis's "War Dog" deserves to be savored, not given a mere cursory read. From the moment Robert's aircraft is shot down over France where he discovers a month old German Shepherd puppy in an abandoned farmhouse, the action never stops and the lifelong bond between man and animal begins.

You must keep the pet in your building for at least three months. Landlords don't have to take action to enforce their no-pets rule immediately, but if they don't want you to keep your pet on premises, they need to let you know this no later than three months after you first introduce your pet to your apartment.; The landlord must be in a position to know about your pet.
