Wednesday's Child

Despite modern versions in which "Wednesday's child is full of woe," an early incarnation of this rhyme appeared in a multi-part fictional story in a chapter appearing in Harper's Weekly on September 17, 1887, in which "Friday's child is full of woe", perhaps reflecting traditional superstitions associated with bad luck on Friday - as many Christians associated Friday with the Crucifixion. In addition to Wednesday's and Friday's children's role reversal, the fates of Thursday's and ...
