What The Plus Google For

Google+ (pronounced and sometimes written as Google Plus; sometimes called G+) was a social network owned and operated by Google. The network was launched on June 28, 2011, in an attempt to challenge other social networks, linking other Google products like Google Drive, Blogger and YouTube. The service, Google's fourth foray into social networking, experienced strong growth in its initial years, although usage statistics varied, depending on how the service was defined.

Google+ - Wikipedia

Google+ (pronounced Google plus) is a Google social networking platform. The Google+ design team sought to replicate the way people interact offline more closely than is the case in other social networking services, such as Facebook and Twitter. The project's slogan is "Real-life sharing rethought for the web."
