Young children become confused and hurt when their parents constantly argue, then decide to divorce. This sensitively written book assures boys and girls that children are in no way responsible for their parents' inability to get along together. It lets kids know that although one parent chooses to move away from the home, both parents continue to love their little boy or girl.

Worst of all I have in-laws who interfere and support my son's lies and hatred for me. It doesn't make any difference if a child is adopted or not, when society allows and accepts such bad behaviour, mothers suffer. I was adopted, but my foster parents were always considered my only parents, and my world fell apart when they passed away.

**The Forgotten Mother, Aging Poem**  
Step 1. Remove all visible reminders from the person's surroundings. Any small object can jog a memory, so carefully dispose of any receipts, photos, diaries or any other personal objects or presents. You can replace these with new items, such as new photographs or bright flowers, or even buy a small gift.
