Who Stole The American Dream

"Who Stole the American Dream?" puts together many of the disruptive conditions which have occurred in the last forty years and clearly explains why there is an ever-widening gap between the rich and poor.

Who Stole the American Dream?: Smith, Hedrick ...

Who Stole the American Dream? is a non-fiction book by the American author and journalist Hedrick Smith published in 2012 by Random House. It describes the consolidation of wealth in the United States, and the dismantling of the middle class. As a result, the American Dream—a national ethos, or a set of ideals in which freedom includes the opportunity for prosperity and success, and an upward social mobility achieved through hard work—is becoming increasingly unattainable. Although Smith ...

Who Stole the American Dream? by Hedrick Smith ...

America, Who Stole the Dream, was a WONDERFUL READ. I find myself leaning more to the right, from a political perspective, but the authors arguments are EXCELLENT at times and they definitely bring up some great points. This book is the most well argued book I have read about the current demise of the middle class in the U.S.
