Big Battle Between Orcas Vs Shark At The Ocean- Who Will Win?

When it comes to the battle between killer whales and great white sharks the killer whale is the clear winner for a number of reasons. First their large size and ability to out run their prey (at least for short bursts) allows killer whales to both surprise their prey and flee from potential attacks before the great white can react appropriately.

Killer Whale (Orca) VS Great White Shark

Who will win? In the event of a collision of a large shark and killer whale, the victory will remain with the latter. On the Internet you can find more than a dozen different videos that capture the skirmishes of these predators, and almost always sharks remain defeated.

Shark versus killer whale: who will win? : whowouldwin

The killer whale has a huge jaw with about fifty teeth—each almost four inches long! But if the killer whale loses a tooth, it will never grow back. The great white shark, on the other hand, has several rows of razor-sharp teeth, and it can lose more than 3,000 teeth in its lifetime, growing them back again and again.
