William Armstrong Magician Of The

William Armstrong pioneers domestic electricity powering Swan's electric light bulbs, at his Cragside estate, using hydroelectric power from stream driven Siemen's dynamos. The book reads like a novel with the intensity of life lessons increasing as we approach the last page.

William Armstrong: Magician of the North: Heald, Henrietta ...

William Armstrong, Magician of the North. Magician of the North is the gripping, true-life story of a man who has a claim on the title 'inventor of modern living'. Born to a merchant's clerk and a coal-owner's daughter in Regency Newcastle upon Tyne, and with little formal education, William Armstrong would rise through the ranks to become - through the magic of science - one of the richest and most influential men in Europe.
